It's possible that your best self-defense weapons against a home invader will be your legs and hands. If there is an escape route, take it. Use your legs to get out as quickly as possible and use

your hands to knock things over behind you to slow down or perhaps trip the attacker, especially if it's dark.

Nonetheless, there's still something captivating about Assassin's Creed. Its setting is still unique, and the way that it tries to build its mix of a modern day techno-drama with historical elements remains a bold choice from a storytelling perspective - albeit one that is still the subject of much discussion among both fans and those skeptical of the larger Assassin's Creed plot.
