The Bitch is a 1979 British film. It is a sequel to The Stud (1978) and, like its predecessor, was based on a novel by the British author Jackie Collins and starred her sister Joan Collins as Fontaine Khaled. Both films were made for a relatively small sum but were highly profitable at the box office, and were among the first successes in the emerging home video market of the early 1980s.

Bush Jr.'s Skeleton Closet . George Bush likes to present himself as a straight-talking, regular guy. But it's an act -- regular guys don't go to Andover Prep, Yale and Harvard Business School, and straight-talking guys don't pretend to be regular guys after growing up in one of the most privileged homes in world history.
