Impress User Guide

The User Guide is a complete manual presented as a complete document suitable for printing.

Documentation - User Guides... - Apache OpenOffice

Creating a graph with GraphFree boils down to two main steps. First, select a Plot Type and use the calculator buttons from the panel at the left to enter the data for your function(s) in the upper right hand panel. Second, select what type of grid you want to use and customize the options in the lower right hand panel.
